## TEAM LEADER & ENQUIRY PROCESS

All Competitors will be required to nominate their Team Leader prior to the race. Only nominated Team Leaders may make enquiries on behalf of their respective competitors. Any Athlete who does not nominate a Team leader will be assigned one.

The Enquiry Desk will be located adjacent to the Event Office.

Video evidence from the technical video feed may be considered in the resolution of any enquiry at the discretion of the Chief Judge.

## PROVISIONAL START LIST

Provisional start lists will be posted on the Event website, [www.whitewater.paddle.org.au](http://www.whitewater.paddle.org.au) and at PWS on **Monday 17 February 2020** (Australian Open, PA Canoe Freestyle Championships). Copies will also be emailed to Team Leaders.

Please check carefully that Athlete names and Federations have been correctly shown on the provisional start list including the spelling, Clubs and/or Sports Institutes.

Please note that all Athletes must have their Federation listed.

Please notify the competition organisers of any required changes.

## RESULTS

Canoe Slalom official results will be posted on the Official Notice Board adjacent to the Event Shed. Canoe Freestyle results will be posted at their compiling tent in the centre of the course. All Results will also be posted on the event website [www.whitewater.paddle.org.au](http://www.whitewater.paddle.org.au).

Live results will be available from the event website and on monitors at the venue.

No hard copies of results will be printed for teams. A complete electronic set of results can be accessed, either via the website, or by request to the Competition Organiser following the completion of the competition.

## TIMING AND SCORING

For Canoe Slalom timing is to 100th of a second. Timing will be electronic with handheld backup.

## MEDAL CEREMONY PROTOCOL

Following finals, medallists should assemble on the inside of the course, near the start pool 15 minutes prior to the medal ceremony. Competitors involved in the medal ceremonies must wear team uniform and closed shoes

## COPIES OF DOCUMENTATION IN TEAM TRAYS

Two copies of the start lists will be placed into your team tray. Please tell us if you require more copies so we can meet your needs.

Start lists and results and any general competition information will be emailed to Team Leaders.

## BODY NUMBER DISTRIBUTION

All body numbers are the responsibility of the Team Manager for collection, distribution and return. Body numbers can be collected from the event shed. Body numbers will only be distributed to Team Leaders. Body numbers can be collected:

Collection after 12 noon Thursday 20 February

Returned no later than 2:00pm on Sunday 23 February

Body numbers will not be distributed unless the entry fee has been received.

Team Leaders will be required to leave a \$100 deposit (must be made in cash, no electronic money transfers will be accepted) for each team (Canoe Slalom or Canoe Freestyle) they manage, prior to collection of their team’s body numbers. The deposit will be returned on collection of all the body numbers issued to the Team Leader.

Any body number not returned will attract a \$100 fee.

## FINISH PROCEDURE

The Canoe Slalom finish line is located directly under the bottom bridge.

Competitors must remain in the finish pool to warm down until dismissed by the Equipment Controller, as they may be required for Equipment or Doping Control.

Athletes are reminded that they must not warm up in the area directly below the finish line.

## SIGNAL TO CLEAR THE COURSE

A whistle will be used by the Judge should the competitor be required to clear the course, i.e. to give way to another competitor.

If water safety staff are required to turn off the pumps, i.e. to clear the channel, a siren will sound.

## CONVEYOR BELT PROCEDURES

A clock displaying “race time” will be located above the conveyor belt in the finish pool. The conveyor belt ride takes 75 seconds.

Whilst on the conveyer belt competitors may empty out their boats but must stay on the conveyor belt until the top pond is reached. Do not jump off the conveyer at any point.

## EQUIPMENT CONTROL

The Equipment Control area will be open for Athlete **self-checking** from 2pm Wednesday 19 February for all equipment including boats. There will be no compulsory pre-competition equipment control.

Prior to the race on each competition day there will be an official at the Equipment Control area, should any Athlete have a question or need help with the measuring equipment.

The equipment control schedule is as follows:

Date	Time
Wednesday 19 February	2.00 pm – 6.00pm
Thursday 20 February	7.30 am – 3.00 pm
Friday 21 February	8.00 am – 6.30pm
Saturday 22 – Sunday 23 February	8.00 am – 1.00pm

Any Competitors equipment may be selected for post competition equipment control. Boats may be checked for weight, length & width and nose & tail and rail dimensions. Buoyancy vests and helmets may be checked to ensure compliance with the current ICF rules.

Athletes whose equipment does not pass a post competition check will be disqualified for that run/phase (DISQ-R).

## DOPING CONTROL

In line with the World Anti-Doping Code and the ICF Doping Control Rules, the Australian Sports Anti-Doping Authority (ASADA) may conduct random drug testing at this competition in any discipline.

Doping control will occur in the designated area as outlined by the organisers. Competitors must present their passport or provide photo proof of identity at the time of a test. We strongly recommend that Team Leaders look after the security of Team Members passports.

Information regarding doping control can be found on the ASADA website [www.asada.gov.au](http://www.asada.gov.au)

## WARM UP LAKE

To avoid potential collisions and injury when using the warm up lake, Competitors are required to keep within the whitewater users designated area.

This area is marked by a line of buoys and includes the area at the course end of the lake and a channel approximately 10 meters wide that runs adjacent to the course on the right hand bank of the lake (see map below).

All other areas of the lake are not to be used at any time.

## WIRELESS INTERNET

There is no free wireless access for Teams.

## SMOKING & ALCOHOL

Smoking is only permitted in the designated smoking area near the entrance to PWS. Smoking is not permitted on the Field of Play or in any of the buildings.

Alcohol consumption is not permitted anywhere on the venue, except in the VIP lounge during its hours of operation or those areas designated in the Cafe.

## PERSONAL BELONGINGS

There is no capacity to store personal belongings in secure areas. Athletes and Teams are encouraged not to bring extra items to the venue. Please remind members of your team not to leave valuable items unsecured.

## SUN PROTECTION

The Ultra Violet (UV) index is high during the middle part of the day and it is recommended that broad-spectrum (SPF 50+) sunscreen be worn on exposed skin to protect against sunburn.

## ACCESS AND PARKING

Please park in the marked areas and follow the instructions of PWS staff when at the venue. You are reminded that the bridges are for access only. The only people who may remain on the bridges are Technical Video Service Staff and Officials. You may pass over the bridge but not remain on any part.

## INVITATIONAL RACE

An Invitation race will be held for Australian Athletes nominating for selection who do not qualify for either the semi-final or final phase of the competition.

## ICF RANKING

All Athletes will progress through each phase of competition for all Canoe Slalom events according to the 2019 ICF progressions, available on the ICF website.

All Athletes competing will receive ICF ranking points based on their final results in the 2020 Australian Open.

## START ORDER

Competitors will start in the reverse order of their 2019 ICF Ranking. Competitors without an ICF ranking will start at the beginning of the start order, in the reverse order of their Australian National rank. Unranked Competitors will be placed at the beginning of the start order and their place will be determined by a random draw.

For Competitors who have two heats runs, the second run score in the heats phase is counted as their heats result.

Competitors that qualify for the semi-final phase from their 2nd heats run score will be placed at the beginning of the Semi-final start list, followed by the competitors who qualified from their 1st heats run score.

The start order for the final will be the reverse order of the results of each respective semi-final.

The start will be in the same order as on the Start List. Competitors who arrive at the start late may not be permitted to start (subject to the decision of the Chief Judge).

## **COURSE DESIGN**

The Course Design Committee will be made up of one person drawn from those nominated from the coaches and one designer drawn from the pool nominated by PA. Coach's nominations close at 9am on Wednesday 19 February.

If required, the draw for the Course Designer will take place at the Event Shed at 9.30am, Wednesday 19 February.
